Hi Nate,

I was out yesterday, but of course I remember you, I was actually thinking of you last week because Katie, BOE's Council Rep asked what was going on with this project. The response what we got from of BOE folks was that we were waiting for Council action.

I just wanted to make sure that we were all on the same page, and I mentioned to everyone in the email string that you're the guy who is the connection between both the community and the council district and BOE or whichever other City Dept needs to be involved.

Just let me know when and I can meet you with. I recommend that Wesley Tanigiri (the dedication prince), and someone from our division be included in the meeting to get an answer to all of our questions at once.

Just let us know when.

Hi Uriel,

Remember me? I hope so, I'm Councilman Rosendahl's deputy working on the strip lot dedication for the Sepulveda Blvd Sidewalk Improvement Project. I'd love to take you up on your offer to meet w me and a couple of reps from the community group who have been spearheading this effort to ensure a smooth transition of these private lots to the City.

Thanks a lot,

Nate
